

### **As Artists:**

We will be exploring form and function as we take inspiration from the Parthenon sculptures, exploring human anatomy. developing our own ideas as we master our drawing skills .

### **As Historians:**

We will be delving into history, investigating and interpreting the past as we build an overview of world history, focusing on Ancient Greece. We will explore what united the greeks, their shared culture and differences

### **As readers and writers:**

We will be reading and studying The Adventures of Odysseus. We will explore how authors engage their readers through their writing. In comprehension, we'll continue to develop our retrieval, sequencing, inference, prediction and summarising skills in our weekly comprehension sessions.

### **Cultural Capital Experiences:**

We'll be using our recent visit to Hercules to help us understand the history of Ancient Greece.

### **As Theologians:**

We will be thinking about the value of **Justice** and think about how we can be just towards others and ensure justice within our community.

### **As Linguists:**

As part of our weekly Spanish lessons, we will learn about the Olympics, learning about the history of it and how it is celebrated (in Spanish!).

## **Achievements and Legacies: Ancient Greece**

Summer Term 1  
13<sup>th</sup> April – 22<sup>nd</sup> May 2026

### **As Computer Scientists:**

We will explore digital media as we photograph and manipulate our images.

### **As Athletes:**

We will develop our physical skills and co-ordination on a **Monday**, year 5s will also develop their swimming skills as they master their swimming strokes.

### **As Geographers:**

We will investigate places and patterns as we explore the geography of Ancient Greece, exploring both the physical and human geography of Ancient Greece.

### **As Scientists:**

We will be working scientifically as we identify the parts and functions of the circulatory system and explain their functions. We will describe the changes of humans from birth to old age and learn about how our bodies change.

### **As Musicians:**

We will continue to describe, compose, transcribe and perform simple songs on the ukulele, building our confidence and musicianship.

### **As Mathematicians:**

Year 6 will focus on revision for their upcoming SATs in May whilst the year 5s will be working on fractions and filling their gaps.

We will be working with Skye to have 1:1 tutoring to support us in developing our maths journey.

### **Key Dates:**

Friday 24th April - Endeavour visit from Oxford City Farm

Monday 11th May - Thursday 14th May - Year 6 SATs week.
