

Children (and their adults) are invited to join the next Kidical Mass bike ride!

**Sunday 28 April 2024**

Kidical Mass is a celebration of children cycling. Kids from every part of Oxford will meet in the city centre for a friendly group ride!

Meet at **West Oxford** (Oatlands Road recreation ground), **Headington** (Manor Surgery, JR Hospital), **East Oxford** (Flo's café), or **North Oxford** (Ferry Centre car park), setting off around 2 o'clock and aiming to arrive in car-free Broad St around 3 o'clock.

**FREE! Bring your bike, bring a snack, and bring your adults!**

Everyone's welcome, whatever your age and ability, whether you're in a trailer or on your own bicycle, riding a tandem or a cargo bike.

The ride is organised by Cyclox and will be marshalled.

*Extra safety marshals are always welcome, so if you know an adult who can volunteer to accompany the ride, please ask them to email [kidicalmass@cyclox.org](mailto:kidicalmass@cyclox.org)*

Turn up on the day, or register for updates at
